Re: Estimate #2136

Enclosed please find two manila file folders and one green expandable folder for mine number M/047/032. Please make 1 black and white copy for each map, and color copies of pictures (some pictures are folded and taped together to make a landscape view, these will need to be arranged to fit a page). When copying documents, please carefully remove staples and sticky notes, copy, re-staple, replace sticky notes, and keep pages in the same order. Thank you!

Please return files to Julie Carter in Ste. 1210. Please do not leave files with a receptionist. In the past irreplaceable files were missing for weeks because they were not returned directly to me.

This order is for Gary Plum. He will call you to make arrangements for payment and shipping. Here is his information:
